

THE NELLY NUT SHOW

Live/live-on-tape animated game show. 7-minute insert, half hour/one hour show, host of Cartoon Block. Target group: 8-12

The Nelly Nut Show is a live animated game show starring the nine-year-old bundle of energy Nelly Nut and her best friend, the soft and cuddly teddy bear Miss Bunny. Along with Nelly's classmates they provide 100% pure kid entertainment where kids interact with Nelly by calling in and playing games using their phone.

Nelly is outgoing and energetic, strong-minded and stubborn; she constantly gets new crazy ideas she wants to try out. Sometimes she's pushing her luck and Miss Bunny gently lectures her. After all he is older and wiser. This often causes arguments between the two, but despite Nelly's belittlements he remains a loyal friend.

The Nelly Nut Show is a very dynamic show. It contains several different segments such as celebrity interviews where the guest gets a character; Nelly News where Nelly and Miss Bunny report kid-relevant headlines and home-grown nonsense; interactive games; today's topic such as pocket money, ghosts or grandmas and lastly Interviews with the Dead. The show contains various games with the purpose of finishing first or collecting most points. Nelly Adventure is also game segment but in favor of wit and cunning to speed and points. The participants get a character to visually represent them on TV.

According to preference the show enables live broadcast or live-on-tape production. The show has different formats: Short inserts in cartoon block/magazine programs, Nelly as the host in cartoon blocks and 30/60-minute daily or weekly shows whatever suitable to client needs. The Nelly package includes an Internet homepage with heaps of interactivities. Merchandizing items such as a CD-ROMs are available.

Despite her young age Nelly is an international celebrity herself. The Nelly Nut Show is currently showing at:

- ZDF Germany - inserts totaling 24 minutes in Saturday morning's cartoon block and Nelly is frequently the number one show in this slot.
- TV2 Denmark - 30-minute weekly show - currently her successful second season - in the prime time for kids.
